

# David Nelson

**LANGUAGES:** *English*

David Nelson is a Senior Master Trainer on the Crucial Learning faculty and the co-founder of Goal, an employee experience consultancy.

For more than a decade, David has been a consultant, speaker, and trainer specializing in leadership development, learning design, and organizational behavior. His expertise comes from years of creating, delivering, measuring, and assisting in the implementation of training for many of the Fortune 500. On average, he speaks and/or delivers training to over 4,500 people each year. His client events have spanned the United States and Canada.

David strongly believes people deserve to feel that the presenter genuinely cares about their well-being and improvement. Thus, his sessions are lighthearted, fast paced, and applicable to daily life.
